

**AFRICA & ASIA Biggest  
Health Expo and Seminar**

  
**30, 31 May & 1 June  
2025**

  
**Swami Vivekananda  
International  
Convention Centre  
Pailles, Mauritius**

An initiative of

**Rotary**  
Club Port-Louis Citadelle

In collaboration with  
Medical Councils of Africa &  
Health Foundations of Mauritius

**Bringing together all Health Stakeholders under one Roof**

- ▶ Pharma Industries
- ▶ Medical Equipment Manufacturers
- ▶ AI in Healthcare
- ▶ Robotics in Healthcare
- ▶ Medical Tourism
- ▶ STEM Cells
- ▶ Regenerative Medical
- ▶ Medical Educations

***A seminar not to be missed***

## ROTARY CLUB PRESIDENT'S MESSAGE

As President of Rotary Club Port Louis Citadelle (2024-2025) it was my privilege to choose a club project for the year. Inspired by the recent challenges posed by the COVID pandemic, shifts in lifestyle and eating habits, and the alarming rate of diabetes-related deaths in Mauritius, we are proud to organize the MED Expo Mauritius. We believe in the magic of Rotary - our unique ability to turn bold ideas into transformative action. This project embodies that magic in every way:

1. Transforming Lives: By introducing cutting-edge medical technology to Mauritius and Africa, we are not just showcasing innovation; we are sparking hope and delivering the promise of better healthcare for all.

2. Creating Connections: Rotary has the power to bring people together, and through this B2B event, we are connecting African nations with world-leading countries like the USA, Australia, Germany, India, Taiwan and Japan, fostering collaboration that transcends borders.

3. Building Dreams: The proceeds from this expo will help us to start building of a Rs12 million medical centre, offering free specialized medical consultations through the Rotary International Network, showing that, we, Rotarians, make miracles happen.

The magic of Rotary lies in our ability to serve with vision, passion, and purpose. MED Expo Mauritius is a testament to how we can change the world—one life at a time. Join us in making this magic real for a healthier Community.

*Rajoo Sanasy*  
President

## ROTARY VISION IN HEALTH

In Rotary, we believe that good health care is a fundamental right that transcends borders. We also believe that addressing global health disparities requires collective action. With millions of people lacking access to basic care, we have a moral obligation to bridge these gaps. By bringing together stakeholders through initiatives such as temporary clinics in underserved communities, health education for disease prevention, infrastructure development to allow doctors, patients and governments to work together, or combatting diseases like malaria, HIV/AIDS, Alzheimer's, multiple sclerosis, diabetes, and polio, we have proven that collaborative efforts can save lives and build resilient communities.

A national forum, such as the Mauritius Med Expo Africa- Asia, on health would be a transformative platform to amplify these efforts. It would unite policymakers, healthcare providers, community leaders, and innovators to share knowledge, strategize solutions, and mobilize resources. Together, we can combat diseases, promote preventive care, and ensure that health equity becomes a reality for all. Let us champion this cause and inspire a movement where no one is left behind.

*Manoj Vaghjee*  
PDG

## SPONSORSHIP PACKAGE

Sponsorship and Exhibition	Event Partner	Platinum	Gold	Silver
Stand in Exhibition Area	6	4	2	2
Full complimentary delegate passes from your company (access to conference sessions and full catering) valued \$600 each	20	10	5	3
Large screens to feature your logo/promotion	✓	✓	✓	✓
Your material in delegate packs/app	✓	✓	✓	✓
Exhibitors contact database	✓	✓	✓	✓
Premium Space in Exhibition Area	✓	✓	✓	✓
100-word company editorial with logo in on-site conference handbook	✓	✓	✓	
Prominent recognition in the conference preliminary programme	✓	✓	✓	
Interactive workshop session with delegates (breakfast or lunch) relevant to the conference theme, optional to attendees	✓	✓		
Exclusive recognition as Principal Sponsor	✓			
Investment	\$ 20,000	\$ 10,000	\$ 7,000	\$ 4,000
Stall Area	5 x 5			
	3 x 3			
	4 x 4			

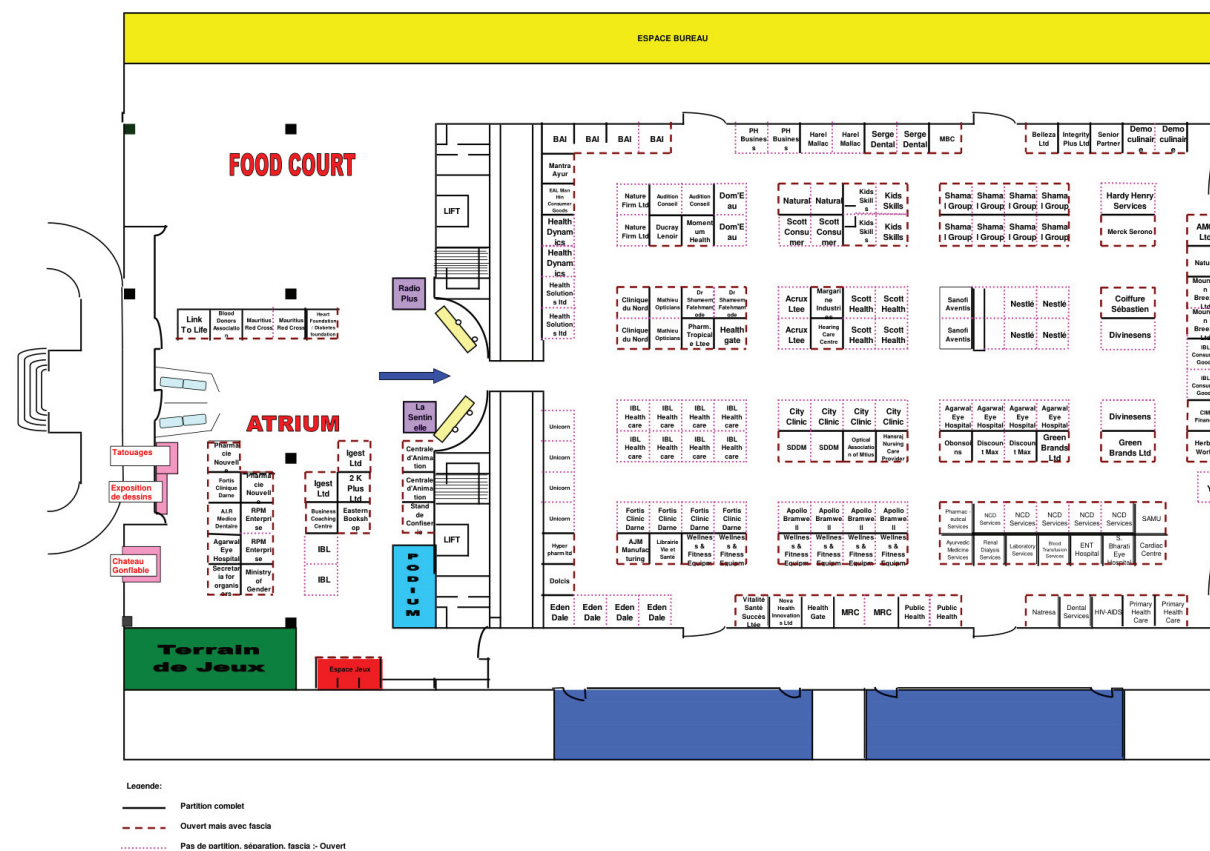

## FLOOR PLAN

Mauritius - India - China - Rep.of Korea - African Union - Taiwan - Malaysia - Japan - USA - France/Reunion

## SVICC FLOOR PLAN

**BOOK YOUR STAND EARLY TO AVOID DISAPPOINTMENT**

## ABOUT MEDEXPO AFRICA & ASIA 2025

First edition of MedExpo 2025 uniting **African** and **Asian** professional, companies, medical equipment manufacturers, pharma industries and innovative solutions from **US, Europe** and **Turkey, India, China** and other part of the World.

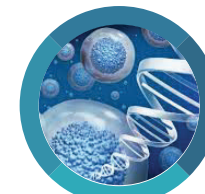

Africa's biggest health expo to showcase medtech, innovations, regenerative medicine, robotics, artificial intelligence, nutraceuticals, health advances in modern science and more.

The seminars will regroup scientists from the medical fraternity that will showcase new techniques in healthcare.

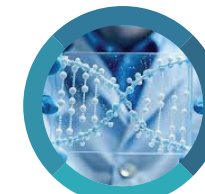

Check our website for more info : [medexpomauritius.com](http://medexpomauritius.com)

## AN OVERVIEW OF THE EVENT

**Stem Cells Therapy & Regenerative medicines**

**Molecular Biology & Bio similars**

**Robotics Surgery**

**Anti-ageing Treatment**

**Dental Treatment**

**Nutraceutical & Pharma**

**Medical Tourism**

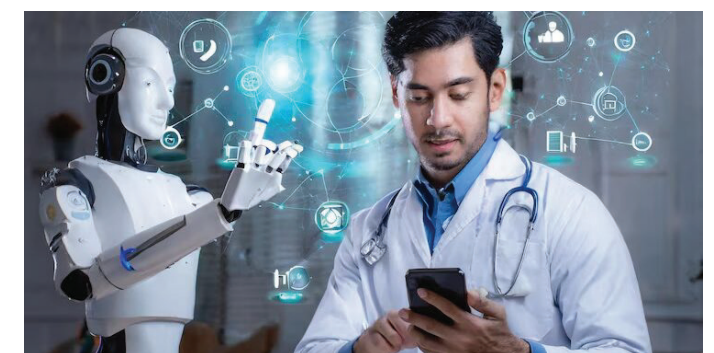

**Health & Medical Education**

## BE PART OF THE FUTURE

Exciting topics such as clinical robotics, digital health applications, health data, artificial intelligence, new materials and intelligent implants will be the focus of presentations and discussions. The forward-looking dialogue at the congress is crucial for the successful translation of innovations and sustainable market success.

A wide range of innovative products and services from the fields of medical imaging, medical electronic equipment, in-vitro diagnostics, medical robots, medical optics, orthopaedics, medical consumables, hospital construction & logistics, disinfection & infection control, medical services are presented. Diabetic Reversal and Neuro disorders to be discussed and solutions will be exhibited.

## CELEBRITY SPEAKERS - HOT TOPICS IN HEALTHCARE

**Dr Kaushik**  
STEM CELL Scientist

**Dr Mitra Basu Chillar**  
Neuro Degenerative Specialist

**Dr Sagar**  
Diabetic Reversal Specialist

**Dr Shurmsta Deb**  
AI in Health and Medicine

**Dr D. Ramu**  
Surgical Oncology

**Dr S. Chepyala**  
XXX

All speakers' names will be published on the website seminar pages. The Event will host exclusive modern medicines and new techniques in Healthcare.

### STEM CELLS

Stem cells are cells that can develop into many different types of cells in the body, and are the body's repair system.

### ANTI-AGING TREATMENT

Famous scientists and health practitioners to discuss new anti-aging techniques and protocols (anti-wrinkles, hair restoration, skin tightening, and many more).

### CANCEL TREATMENT

Cutting-edge treatment protocols through NK CELL and CAR T cells to be discussed by renowned scientists and doctors.

### DIABETEST REVERSAL

through Regenerative Medicines Protocols to be discussed to reverse diabetes in Type 1 and Type 2.

### MOLECULAR BIOLOGY TESTING

Molecular biology testing, also known as molecular diagnostics or molecular pathology, is a laboratory procedure that analyzes genetic material in a sample to detect disease biomarkers.

### DENTAL TREATMENT

Dental innovations that change the practice.

### OPTOMETRIC OPTHAMOLOGY

New trends and cutting edge technology

## HEALTHCHECK

The healthcheck area will include Free Screening Test, advice, consultation, counselling and education. Participants can explore an exhibition of healthy diet models and receive guidance on healthy eating habits.

- Breast Screening
- Cardiology
- Ear, nose and throat
- Eldery services
- Gastroenterology
- General Surgery
- Gynecology
- Hematology
- Neonatal Unit
- Neurology
- Nutrition
- Obstetrics
- Oncology
- Ophthalmology
- Orthopedics
- Physiotherapy
- Renal Unit
- Sexual Health
- Urology

**A GIFT OF LIFE TO ALL MOTHERS ON THE OCASSION OF UPCOMING MOTHER'S DAY. BE THERE.**
